

## Accommodation Info - PALMA HOTEL

**Hotel Palma** has the privilege of being ideally located both for visiting central Paris and suburbs, and enjoying an authentic, safe neighbourhood with great entertainment venues, shopping and restaurants.

The 32-room hotel is just minutes away from the artistic and cultural diversity that makes this part of eastern Paris so unique: stroll through the prestigious Père-Lachaise cemetery, listen to music at la Maroquinerie, la Bellevilloise or la Flèche d'Or; enjoy a show at the Colline, Est Parisien or Ménilmontant theatres; catch a movie in one of Place Gambetta's cinemas. Together with shops, markets and typical cafés, the area also offers a wide choice of restaurants. Our staff will be happy to advise you according to your wishes and culinary tastes!

The recently renovated hotel is next to Métro Gambetta, on the direct line to Opéra and the Grands Magasins. Taxi ranks and bus lines are also close by and for those who prefer visiting Paris by bike, a Vélib station is on our doorstep.

Charles de Gaulle and Le Bourget airports, Villepinte exhibition centre, Disneyland Paris and Astérix theme parks are all less than 20 minutes drive away.

European Physical Education Observatory 

For accommodation during the EuPEO's International Multiplier Sport Event you should book directly to the Palma hotel: <https://hotelpalma.com/>
